

Technical data sheet 139RS

Specification Swivel chair automatic

Dimensions in mm

Seat:	H:	420 - 540
	W:	470
	D:	470
Total:	H:	1095
	W (no ArmR):	500
	W (ArmR):	640
	D:	640

Packaging data	Weight:	kg	18,44
	Volume:	m³	

Basic equipment

Benefit

Backrest	Upholstered back. 40 mm foam + 10 mm cotton. Cover polypropylene. Side parts in fabric Lucia (5800), black.	Optimum microclimate due to unglued cushions. Breathable.
Upholstery	Upholstered seat. Breathable molded foam, CFC and CHC free (unmixed). 60 mm foam + 10 mm cotton wool. Side parts in Lucia 5800 black.	Very pleasant seating comfort.
Mechanism	Autolift system (in conjunction with synchronous mechanism) with automatic weight adjustment (45 - 120 kg). Opening angle between seat and back up to 120°.	Optimal support that makes it easier to switch between different sitting positions at the same time. Several users can use the chair alternately without having to readjust the weight adjustment. The restoring force of the synchronous mechanism is adjusted automatically. When the user leans back, the seat surface is raised slightly so that the user can glide gently backwards with optimum body support.
Seat height adjustment	Seat height infinitely variable from 420 - 540 mm. Self-supporting safety gas spring.	Ergonomically correct sitting.
Seat depth adjustment	Adjustable seat for individual adjustment of seat depth, adjustment range 60 mm.	The contact area of the thighs of tall persons is increased.
Seat inclination	Adjustable forwards by 3°.	The inclination makes the pelvis steeper, the spine is straightened, Hunchback is avoided.
Lumbar support	Height adjustable lumbar support	Allows an individual support in the lumbar spine area possible.
Armrests	4D T armrests adjustable in width, height and depth, swivel-mounted with soft surface.	The armrests relieve the neck and neck muscles.
Base	Plastic base, black.	Very high stability, longevity.
Castors	Soft double castors, black, load-dependent brake, for hard floors or glides (according to DIN EN 12529).	The chair does not roll away in an off-loaded position, minimum risk of accident.
Material	All materials are pure and recyclable.	Environmentally friendly.
Standards	EN 1335 for office swivel chairs and office swivel armchairs. GS-symbol for having tested safety, tested for contaminants and ergonomics.	High Safety Standard product.
